Hi, it has been a busy day.will and substitution docs got signed-hooray!

- 1)Space at 445 Park-have verbal agreement on price-working simulataneously on lease and work letter-have a call tomorrow at 11 with the buildings architect.
- 2)People-actively interviewing for controller and tax person. Although I would prefer a male so that we don't wind up with an all female office, I met with a woman who spent 10+ yrs on tax team Bruce Kovner's family office who was great. That office was wound down when Bruce retired from Caxton 2 yrs ago. She then went to Rothstein Kass. I would like you to speak to her. Will you be in NYC anytime soon? Have a possible controller but want to see more.
- 3) Inventories-current WIP is assembling cost information for all Leon's art. Paralegal is sifting through the many files of invoices. Should be done by next week. Cost and FMV lists of art wned by the kids is done. We have inventory of jewelry by coast, debra has agreed to have appraisal done. Books-waiting on the book guy for cost info.
- 4) Draft tax returns-still many, many K-1s missing.
- 5)Plane-i should check in with J Hannan on Monday when he is back but filings are being prepped for Pt 135. Excise tax issue still sounds a bit grey. Bottom line sounds like most people don't pay even though they should.tom told me today leon should probably fly on 135 even when it's personal but I don't see how we will use the depreciation. Have more detail in my office-will write you a longer note.
- 6) I think we will have estate flow by end of next week.
- 7) Have one prospect but otherwise just have been too busy to try- will get to it in a bit
- 8)AIF IV-willl get back to giving this issue attention now that will etc has been done.

Busy,too, redoing Phaidon corporate structure.

Have some things I'd like to chat about but have a pretty full calendar tomorrow. Please give a ring on Monday if you can.

Best, E.
