Just spoke with Neesha ;

their offer was as follows:

- 1) not being hired as employee rather a 1099 contractor
- 2) not being called a job but an assignment
- 3) salary 65,000
- 4) no medical benefits

asked Neesha for references and for her to come in again next week, Neesha appreciates the offer to double her salary , personally , however she will not work with " these types of people" I have to agree
