I am not responding to this.. it is a brief item for their mag, and the two things they want are both already publicly available.

Dear Dr. Krauss,

I'm working on deadline on a brief (150-word) item for our next print issue. It will note ASU's placing you on paid administrative leave earlier this week, and your resignation from the Bulletin of Atomic Scientists' board.

I would very much like to quote your reaction to ASU's action, and if you would send that by email or give me a call in that regard I would be grateful.

I would also appreciate:

1. A copy of your resignation letter to the Bulletin's Board
2. A copy directly from you of your statement responding to the BuzzFeed article, and your confirmation of what date that statement was released.

If you can get back to me today, I would be grateful. I apologize for the short notice. If that's not possible, can you respond over the weekend or at latest by 10 am Eastern time on Monday?

Thanks for considering these requests.

Sincerely,

Meredith
