what is stupid about it ? You said I needed a job that pays a rent and a living because mine is not well paid. I agree, but I haven't found any better offer.

Since I cannot follow my dreams because it's "stupid" and can't work in finance either, If I become an escort girl, make 60k a month, be independent and pay myself a rent would you be proud ? According to what you said: "you chose a job that pays little because you like it, instead of choosing a job that pays the rent." In your sentence and from what you told me previously, you seem not to care about my career path and my passions but only about how much money I make in order to pay myself a rent, regardless of what I do. This is what I understood. At the moment I might have a job that pays little but at least I'm working hard, I'm learning and I'm helping myself.

yes, and when you told me he held out money so that you would have to do something to get it each month. I told you i didnt like it but you did what you had to. I would help and the only thing you had to do was NOT LIE , or STEAL. , only two things netierh of which you did. I am waiting to see how you do and what you have learned , I willl tak to you in september k IF YOU CONTINUE to work . I have offered all my advice over the years and you have ignored it. contact me in september and tell me what you have done. and prove it.

I never had a relationship with [REDACTED]. He was just helping me to pay my rent. [REDACTED]. If you want it to put it that way I had more of a relationship with [REDACTED] man which is also not ordinary.

that is the prescription for failure. your romantic desire to only do as you enjoy is STUPID childish and will only lead to failure. if you are unwilling to accept life as it is. but want to live in the make believe world of what you would like it to be, you will end up again in a bad place. you had a relation with [REDACTED]. that was not ordinary. i respected that. you then wanted to be [REDACTED]. a a .. all silly ideals. you complain that life is not what you want it to be . you quit work as [REDACTED]. so that you can ask for charity instead of helping yourself. . you want to be in schoool but to only take classes you like. these charactizcs are those of a 12 year old. you throw tantrums in the street. and now look to drugs to help you focus. you chose a job that pays little because you like it. instead of choosing a job that pays the rent.

You are right but for me it's very hard to be persistent in something that I'm not passionate about or I don't love. Maybe I should take Ritalin in order to focus more. I'm trying very hard right now...
