[REDACTED]. It has always been my dream to be able to learn alongside and from the best in their field. I have been hooked on photography for quite a while now and was wondering, of course, if it was not too much of an imposition, if I could take you up on your very kind offer to intern for you for some agreed period of time. I promise to dedicate myself to learning and would find no job too menial or meaningless. Im certain it would be a great privilege and one that I know would greatly effectand benefit my future. I could start at your convenience and would hope to receive a " yes " response. . Looking forward to your answer with great hope ..

I remain,

[REDACTED]
