dear Jeffrey

well it is quieting down for me but i doubt for you

i do hope that you will not be in legal jeopardy

as for receiving a small token of the abuse you are getting, my heart goes out to you

but i have one small question, if you don't mind

where does John Brockman stand on this ?

i was surprised to see my Autobiography suddenly "removed"—or at least made hopeless to access— on his website and yet this announcement as the third most cited reference on my list of 169,000 citations

you can drop a link and not tell the world or you can drop a link and employ someone to drive that single fact up to the top of my google citations

so i am curious, if you will forgive me, has he cut ties with you too

or is it just with me?
