Greetings Luis,

If your request is acceptable to Brice and Rich, I am happy to take care of travel and hotel accommodations. Email me the names and birth dates of your crew when you have a chance.

If you already have an idea of travel dates I would like to alert the hotel early since room availability is still extremely limited.

Kind regards, Daphne

Good morning Daphne,

Can I exclude the travel and hotel accommodations from our contract and have it go through your office for my crew?

Good afternoon Luis

as discussed attached,
Floor Plan for Master Bedroom
Master tub is situated on the back wall not against steam room
Confirming you will be laying flooring material only
We will need to lay vapor barrier and subfloor correct, or can you perform this work as well?

regards Brice
