Marvin--I'm cc Jeffrey here who is expecting to hear from you about a photo shoot. I understand from Jeffrey who is in NYC now that he is leaving today (at 2:00 I think), and back on Wednesday. If I can be of help, don't hesitate. Best, Michael

I'm due to speak to him this afternoon, so my best sense of the way to do is to tell him that this is coming and then introduce you by email. He's easily spooked however and my best advice is to keep it simple. A strong image in the piece is of him sitting (where he always sits) at the head of his very large dining table, from which he conducts most of his affairs. That's the picture I might try to get and the one he will probably most amenable to. But, of course, don't let me tell you your business!
