Dear Mr. Bin Sulayem,

Thank you so much for your kind attention during my stay at your lovely hotel. Dukes has been a favorite of mine for almost twenty years and I am pleased to call it my home away from home. I am so appreciative of having the opportunity to stay in the Duke of Portland's Suite. I understand this was a unique opportunity, due to the current renovations of my preferred rooms, so do not expect a repeat experience but wanted to share how much I appreciated the opportunity.

It was a blustery cold week in London with snow every day that I was not prepared nor packed for. To come back each day to the suite where I was truly able to rest and also work, in my gorgeous sitting room, I truly feel the comfort that Dukes provided kept me from falling ill and accomplish a great deal.

I am back in New York now and whenever I am asked for my hotel suggestions in this city, I always regret there is no comparison that I can recommend here.

Lastly, one cannot compliment without giving credit to Dukes best asset, Alessandro Palazzi. He is truly the most welcoming, warm and kind person and I look forward to seeing him each visit. I am most grateful for the hospitality all of your staff at Dukes provided and thank you again.
