Hi [REDACTED]

We are excited to say that we would like to welcome you to join our June 29th program. Congratulations! We look forward to coding and learning a ton together.

Your spot in the class will be reserved once we receive your deposit and signed Student Enrollment Agreement. I'll send you an email in the next few minutes with the agreement (including details about tuition payment deadlines) and the form to pay your deposit via credit or debit card.

Once enrolled, you should be all set until about eight weeks before the first day of class. We'll contact you to give you more information and access to required precourse work at that point.

For more information about changing start dates, precourse curriculum, and tuition issues. Please see our Admitted Students FAQ:

We're looking forward to having you in our class. Please let me know if you have any other questions.

Warmly,
The Admissions Team
