Since JE was charged in 2007 for solicitation of a prostitute I have been the target of outright lies, innuendo, slander, defamation and salacious gossip and harrasment; headlines made up of quotes I have never given, statements I have never made, trips with people to places I have never been, holidays with people I have never met, false allegations of impropriety and offensive behavior that I abhor and have never ever been party to, witness to events that I have never seen, living off trust funds that I have never ever had, party to stories that have changed materially both in time place and event depending on what paper you read, and the list goes on.

I have never been a party in any criminal action pertaining to JE

For the record:

At the time of Jeffrey's plea I was in a very long-term committed relationship with another man and no longer working with Jeffrey. Whilst I remained on friendly terms with him up until his plea, , I have had limited contact since

Every story in the press innuendo and comment has been taken from civil depositions against JE, which were settled many years ago. None of the depositions were ever subject to cross examination , not one. any standard of truth and were used for those who claimed they were victims to receive financial payment to be shared between them and their lawyers. One firm created and sold fake cases against Mr. Epstein – the firm subsequently

imploded and the Rothstein, the owner of the firm was sent to jail for 50 years for his crime. The lawyer who is currently representing Virginia was his partner. need I say more!

These so called 'new revelations' stem from an alleged diary from VR that reads like the memoirs she is purporting to be selling. Also perhaps pertinent - in a previous complaint against others, her claims were rejected by the police

“due to.. VR ..lack of credibility ”

The new interest in this old settled case results from lawyers representing some of JE victims filed a suit against the US government not JE . They contend that the Us govt violated their rights.

The document and deal that JE negotiated with the government was given to the lawyers 6 years ago and is a public document.

I am not part of, nor did you have anything to do with, JE plea bargain

I have never even seen the proceedings nor any of the depositions

I reserve my right to file complaint and sue for defamation and slander
