I'm in FL.

Picked up Jason last night and we had dinner with [REDACTED] is amazing. She looks great and of course had the non-stop jokes all evening. She said she's doing well because she takes birthday control pills. You probably heard that one before, I hadn't.

Great and thanks for sharing. You know [REDACTED] works [REDACTED] Amazing. I told her that this part time work is bullshit, she needs to work Full-Time. [REDACTED] never complains. She does covet or aspire to anything. Philip loves her. She grew up dirt poor and doesn't need much of anything to be happy. Kind of like JEE
