Jeffrey

attached photo for your reference

On your last visit you indicated that you wished to develop a garden and clean up the area east of the dog pen.

The first landscaping company I sourced declined the work, since then I have source another company who are interested in the job. This company will also be forwarding a proposal regarding the Development of the Water distribution system, for the Ranchs Well and irrigation requirements.

They have requested a survey of the site east of the dog pen, noting the leach field for the main house is located in this area.

Cost of survey is estimated at \$3000.00, Oden and Associates, Moriarty, NM

505 832 1425

Can we proceed with Survey.

regards

Brice Gordon
