Could be worse...I could be gaining weight. With the press weight loss program, I just need 3 more weeks to get back to normal.

sorry sorry I expect this natural disaster of a media shit storm will last the month. like a hurricane or tsunami, little can be done to effect it. if you stand up now , it is not without risks, the press only wants to complete its version of a salacious story , not hear the truth, so any denials will be met with a stronger wind of allegations . Unfortrtunatley I think after its over this time , and it will be,= again, we will need to assess damage and begin a strategy to rectify, modify, but it will not be the same. you are physically fine, as am I . I however recogninze that that is little comfort at the moment. yes sara hirsh security clearnave did not check , she was trouble and a liar. and I told her in a nice way . the org is a fake,

I get it, just not doing so well today....

Lost my flying car opportunity, UPM, FIRST asked for no ties, my aviation clothing line partners cancelled our mtng today, Xprize is probably next.. Dean just spent an hour talking to me on the phone about how he was advised to react when press confronts him. He was told by a crisis manager that it's a matter of time. And everyone is urging me to get a lawyer and speak out if the claims are really not true. Can't process it at the moment, little overwhelmed watching everything spin out of control again
