---

A case where a federal court imposed sanctions for continued questioning at a deposition after the witness asserted the 5th Amendment. Researching Fla law if any on this issue. May be federal pleading opposing joinder filed today or no later than next week. If it is strong enough may, in combination with other matters, including those you've identified, provide some reasons why Cassell may be persuaded that a the lawsuit is not in anyone's interest which could open door to a cease fire.
