I would have your lawyers put out something like. to highlight the preposterous nature of the lurid allegations and the total lack of credibiltiy of the accuser all the paper had to do was to check at the very basic of levels the truth in any regard whatsoever to the very detailed description of ms maxwell flying president clinton in a black heli to a dinnner on Mr Epsteins where he sat on this left. etc etc. . President Clinton , not only did not visit multiple times as alleged HE never ever visited once. not once. THIS is easily verifiable. . and has always been so. but the paper acting in total disregard to its responsiblitu under the act. published it.
