I will be speaking with Alan's lawyers at 2:30. They are considering an intervention despite the Reinhart Order. I intend to tell them that you would not consent to your lawyer (prior lawyer?) testifying about his relationship with you at this time at a voluntary deposition. A battle of video depositions would not in anyway help anyone.

my friend upon hearing the evidence that [REDACTED] is lying said ". Jeffrey , you're being silly, every thinking person knows she is lying but you have to admit it's fun to watch. Royals sex money celebrity. How can you not watch". Let's deal with it with a legal motion and I strongly suggest a halt in trying to manage . It merely contributes to the theater. Thanks
