Jeffrey,

Below are the images of the furniture for Palm Beach with the quantities and color finish.

Also attached are the purchase orders. Please note the first one had two mistakes on it that could only be corrected by the following two invoices, this according to Artefacto's computer system.

I did try to show you the floor plan and furniture but you did not want to look at it at the time, sorry i should have insisted.

I will let Artefacto know to hold the other four sofas until you decide.
