Greetings Mr. Epstein,

We did not find a copy of, or your original Local Boaters Option Registration Card in any of our files.

We did call US Customs and Border Protection and spoke with Supervisor Wilbur Smith, who is researching the information in their system.

We were told that US Customs no longer issues LBO cards, they have revised the program - small boaters are now registered under the new Small Vessel Reporting System (SVRS). It is a free, web-based enrollment program that includes a self-scheduled interview with a CBP officer at an authorized reporting location.

I will call back Supervisor Smith shortly if he has not called, to find out if he has located the information you need.

Respectfully,

Daphne
