I want to provide the information to the standard of Rich K. Please measure me accordingly. Where i used shorthand previously, I will make every effort to provide detailed analysis. The plane analysis is well underway. I'd like to engage the captain to provide budget and to see if on the plane that there can be a forecast of anticipated trips. Apollo is fundraising mostly and that is dependent on timing of fund launches. Last, I appreciate your feedback as I can quickly adjust/ improve. Thanks
