when i analyzed their materials in April 2012 i calculated that they were paying 25-30% of retail posted prices due to Jet Aviation buying power
i would think that Jet probably gets a bigger discount than that and keep some of savings for themselves
larry also gets discount off published prices - please see emails below he sent me over the last 3 weeks

I have 3185 in STT for fuel, I'm ok for a couple of weeks
I paid \$4.84 in PBI posted price is \$8.45
Not bad for Palm bch
