That's kind. My son continues to be the greatest light in my life. I know there will come a time when he will tell me to f*&k off so right now [REDACTED] cherishing how much he wants to be in my company. I only wish I could spend more time with him but there's an old expression, "the law is a jealous mistress" and my last few months preparing for and trying this case is a strong testament to that. But now he and I are going to take a trip together so that will be great.
