no problem. 1 agenda. I think the next year, is going to be very challenging for the biz and you. You realistically have little support you can fully rely on. Benjamin, Christophe, cousins, (hopefully olivier will come out of his coma ,but for now, Im not sure,). cynthia is important. henri and yves nice but neither strong or well versed .

first action step. you have to stay healthy. !!! doctor. exercise. nutrition, if not for the bank, then at least for your children. check up in new york, personal health person? , you need to get strong to weather what i m sure is to be a storm .

DOJ, complex, operations, structure overhaul, new biz, - cousins treachery,, regulators. investment teams leaving, profit margin slim, charity will need to take a back seat. until things are quiet.

You are the only one who can fix this. you will have to get real authority . protect the children. and layout a plan for the future generation. not easy , but definitely doable. I suggest a new ceo for financial and a different one for non financial assets. One lawyer that you trust . a chief of staff (hopefully cynthia , but then you will find it hard to replace her current work).

Is there anything beautiful for sale in amsterdam?
