Jeffrey Epstein
6100 Red Hook B3
St. Thomas, USVI 00802-1348

Dear Jeffrey Epstein:

In accordance with Section 1726(b)(3), this letter is providing you with formal notification that the Virgin Islands Department of Justice will be collecting a DNA sample from you to be entered into the Federal Bureau of Investigations Combined DNA Index System "CODIS." The collection and entering of this information into CODIS is also a requirement under Section 114 (b) (6) of the federal Sex Offender Registration and Notification Act, the requirements of which have been incorporated in the Virgin Islands Sexual Offender Registration and Community Protection Act.

In light of the foregoing, you have been scheduled to appear in person at the Virgin Islands Department of Justice to provide the required DNA sample on Wednesday, October 1, 2014 at 10am. You are required to contact the Registry Coordinator at the V.I. Department of Justice in your district to confirm the aforementioned date and time. In the St. Thomas/St. John/ Water Island District, please contact Ms. Shani Pinney at 340-774-5666. In the St. Croix District, please contact Ms. Aquanette Clarke at 340-773-0295.

Thus far, you have cooperated with the Registry Staff at the Department of Justice by registering as a sex offender and by keeping your registration current. Your continued cooperation in providing the DNA sample will ensure that this process is completed smoothly and efficiently, without incident. Thank you for your cooperation.

Sincerely,

Shani A. Pinney
