Hello [REDACTED]:

Called Avis and Enterprise and the person who picks up the vehicle has to be the same person who pays for the rental.

Sixt Car Rental only allows pre-payment in their web site, but it is too late, they require 5 days prior

Auto Europe, has availability through Thrifty, for an intermediate car, similar to a Toyota Venice, with a/c and automatic, including only basic insurance (liability and fire, no collision nor damage waiver), with taxes and fees for \$3130.73, 33 days, pick up is noon, return is noon, 30Aug/02Oct

Let me know...

Unfortunately we cannot just extend the car rental for Mariana with Hertz, we must make a new reservation for Aug. 30-Oct. 2.

We have to alert Mariana to go to the Hertz office on August 30th and re-check the vehicle.

New prepaid rate from August 30th (around noon local time) to October 2nd (3pm local time) for same type of vehicle she has, is \$4099.20 including all taxes, fees, and mandatory insurance required.

Just waiting for the new voucher and confirmation. will send to you once I receive.
