Thanks.

I leave from Malta to Burning man but our chef is going to be in Paris : he's good people if your gastronomically inclined :)

Time for a chat today? We are being asked to sign onto the petition letter circulating to get Lawsky to extend the comment period on the new regs.

Adam and I think we sit this one out but would love your thoughts if you have a few min to chat.

Sent from one of my many test mobile devices while on the go and changing the world : so my apologies for any typos
