Jeffrey: Nancy and I were talking.. I actually do think it would be very enjoyable for you to see MONA in tasmania.. and it would be nice to do it with you before we leave (getting the ride back with you was just facetious.. not necessary or relevant.). So think about it.

also, I was thinking that once we are located in the northern hemisphere I would really like to take nancy down to the caribbean sometime.. probably won't be for awhile as we need to get settled.. but sometime.. and it would be great if I could show her your place and we could visit sometime.. Anyway, just a thought for sometime later..
