Since there has been a legalistic approach by the children, couldn't the phrase below be used by them to prove their arguments.

"10. (...) To the contrary, the Parties expressly and specifically deny any such wrongdoing or liability."

In the paragraph:

"10. *Settlement is Not an Admission.* The Parties understand and agree that the terms of this Agreement, and the settlement provided for herein, are intended to compromise disputed claims, to avoid litigation, and to buy peace, and that this Agreement and the settlement provided for herein do not constitute and shall not be construed or viewed as an admission by any Party of wrongdoing or of liability. To the contrary, the Parties expressly and specifically deny any such wrongdoing or liability."

We're glad to know you are better.

OK. Just for the records, The Carol Chomsky Marital Trusts are also being managed by Bainco, but they were not included in the agreement. I assume because Max and Harry are the trustees and the ones who decide who manages the Carol Chomsky Marital Trusts. Is this correct?

OK.

Are you completely recovered from the cold? Remember: hot tea and honey and rest, from the very beginning. Fresh watercress infused in boiling water makes a wonderful tea and clear the upper respiratory

system.

Best,

Do you understand why my name is there at all? I don't have any investments with them. My name was not part of any documents with them. Why should I sign? I will, if you tell me so.
