She said she wrote to you on Skype as soon as her roommate had left the room. Did you manage to talk?

I think she has a crush on me:) she asked me to record a small voice message for her so that she could hear my voice (she usually sends me voice messages on what's up and I respond my regular texts).

[REDACTED] is in the subway right now on her way to a casting (she said she was still doing castings), she also said that she had some troubles with studying English at home as she had to share the room with two other girls and didn't have much time alone
