just finished many hours of research and was unable to find exact match in stock with the following specs you requested (note we can order but will be 8-12 weeks)

F450, Standard Cab, 4x4, and Dump which is high or landscape style

Comparison of Models - Note all have the same engine and horsepower

Ford F-350 with dump - payload approximately 4,000-6,000 pounds

Ford F-450 with dump - payload approximately 6,000-8,000 pounds

Ford F-550 with dump - payload approximately 8,000-10,000 pounds

All vehicles sourced are new and range in price (landed at Tropical) from \$54,000 - \$70,000

My findings are as follows:

F-350

a) 2017 Standard Cab, 4x4 and 12' Dump
