I have sent the gc package to Richard and am waiting for reply and comments so I can start to schedule construction times. I have sent revised specifications as per je's direction to purchasing agent and await new package. It would be great if you could help me push Richard....

Hello [REDACTED]

Just wanted to touch base about how things are going. Is there anything I should be doing? Do you have any further meetings with JE scheduled?

Hope all is well, let me know if you need anything.
