1) BG was mobbed after the harvard event and I decided not to behave like a groupie. I did not get to send your regards.

2) I was speaking with Michael Lynton today and mentioned that we were hoping that WA might be excited about accepting the award we offered (the one that Lynton accepted last year). He thought it was a wonderful idea. He also said that there was a sony division that distributed WA's films and that the head of that division actually attended last year's event. While michael did not say so I suspect they will offer their support for the idea. Assuming he himself has interest, of course.

3) I hate UN week. Traffic is a disaster.
