Jeffrey,

Great to be connected!

To give you a bit of context on me, I have been in tech for my career to date, first at Facebook and then at an enterprise security bitcoin company called BitGo. I started investing full time three years ago when my business partner and I raised a generalist VC seed fund. We deployed that over the next two and a half years, and I then raised a new fund, Autonomous Partners. Autonomous is entirely focused on cryptocurrencies and blockchain investments.

I split time between New York and San Francisco - I don't have dates set yet for my next trip, but it should be in the second half of July or early August. Will you be in town then? Would be great to connect if so.

Cheers,
Arianna

Hi Jeffrey,
Hi Arianna,

Let me introduce you both. Arianna is one of the smartest young business women and investors that I've ever met. American-Italian, she is based between NYC and SF.

Jeffrey is my dear friend and mentor thanks to whom I am becoming an American lawyer :-)

You should meet in New York and I am sure you will get along super well.

Warm regards,
