too big. to start , maybe in the future, . you will get the other side geared up too quickly, i think it MUST also be someone who can understand complex securtity transactions. . If it were me I d consider matt menschel, the guy who put me in jail, but is now a friend, he is competent. the firm is kobre and kim. IT spooks me to think that farmer suggested these guys, maybe he believes it is more serious than i do. I will be home on sunday, and as you already know , I will be at your side , if you need to 24/7

Jes -- Here are some prominent attorneys you may wish to consider. I have reached out to them, and so far have reached only Bob Cleary at Proskauer, but know them all and will be happy to assist:

Robert Cleary, Proskauer Rose. Former SDNY prosecutor; former US Attorney; prosecuted the UNABOMBER case; done major investigations for the NBA, NHL, Major League Baseball. His firm currently represents John Wilmot; Bob thinks it is not a conflict, but you may know better. Bob's number is [REDACTED].

Ted Wells, Paul Weiss. Another friend. Has represented everyone from Scooter Libby to Alcee Hastings. He may be booked, but I'm checking.

Ike Sorkin, Lowenstein Sandler. Extremely tough, effective lawyer. Don't know him as well as the others, but know the firm very well.

Have to run to a meeting. Will send more ...
