Greetings Mr. Epstein,

I spoke with Mr. Hodge this afternoon to get confirmation of whether he was coming to me, or if I was traveling to him to complete the transaction.

Mr. Hodge said to me that he does not know what to tell me. His mechanic went to the boat today, and one of the engines is not working.

He feels it will now cost him more than he anticipated, and he is not sure about the sale of the boat, but thinks he is still okay with generators.

He asked me to give him until tomorrow mid-day for his final decision.

Respectfully,

Daphne
