Please let me know if you hear from President Waheed and how he responded to the recent Polling Memorandum that was sent to him

It was a frank document and a realistic assessment of the current political environment in the Maldives but occasionally a Candidate can take that kind of news the wrong way so if you hear anything back from him please let me know

We have been prepping the data that was sent to us and should be ready to do an initial baseline poll / survey for him in the near future. I will also let you know if I hear back from him

Also – Please let me know when you want to discuss the USVI and what needs to be done ahead of the next gubernatorial election in 2014.
