Dear Stefan,

Please find attached a PDF copy of the original instruction letter which Heidi Holterbosch has given in relation to account 60.068190_6 today. The original is being FedEx to Switzerland today. Heidi has requested that the transaction (liquidation of all investments and transfer into US dollars) **happen this year (2012)**.

With only a couple of working days left this year, could you please let me know if you think it will be possible to execute our mutual client's request this year?

EFTA00876133

We appreciate your urgent attention to this matter very much.

Wishing you a joyous Merry Christmas!

Thank you and best regards,

Elena
