it will give you the base on which to grow. youve chosen to disagree and do exactly as you pleased.. my inability to help with your visa was in spite of trying very hard. not as a result of anything but failure on my part. you have spent more money than you should have, this is also not new. i have asked larry and otehrs to ask around, again i think your best chance in flying is on the pacific coast. i will contunie to try, the money also does not inlcude an addtinoal 50k for rent.

Most of the money wired in 2011 was used for Aviloop and my visa. My accountant would know exact numbers but he will need to get paid so I have been delaying having the taxes/reports done. I should get it finished this month.

I have no record of a 10k wire in January. (screenshot attached)

PS: Feel free to verify the information but please do not forward my emails or copy other people in the reply. I only bring it up because you did that a few times last week..
