Good morning Jeffrey,

I wanted to send you a quick email update to let you know that we are heading west in a couple weeks to meet with Masha Drokova and hopefully Steven Sinofsky. Masha is all confirmed and we are hoping to hear back from Steven. If there is anyone else you think we should meet while we are out there we would welcome it.

Otherwise we look forward to sharing the results of our meetings with you and maybe hooking up again in the next month.

Best,
Jonathan
