I was very happy to hear from you.

I will start to look an Assistant as we agreed. I was thinking i will probably take a car and can be free to move and visit and see more people whatever the business is. Because its really limiting me for the moment.

Thanks [REDACTED] for you, you really gave me the hope that i am not alone to fight with my everyday life and sometimes i invest all my energy in it so no even strength to see where i am going.
...and time is fast and life is short.

I will think about another idea to propose you.

Thanks again for your morning words that you want me to succeed and help, it made my day.
