Hello,

how are you? I haven't been around the east coast much hence I've dropped a bit off the map, that should change in a few months.

Anyway, I'm looking at potentially investing into a company called Rubica and apparently Bill Gates' family office is leading the round. Do I remember correctly that you know the person that runs that? If so, any chance I can talk to him about this company?

Thank you,  
Vincenzo
