Dear Jeffrey,

Our interview yesturday makes me a little bit confused about travelling a lot. I talked with my family and I think it's not the time for me to get involved in that kind of job because of my age and because my grand mother is very sick so I have to be there for her and my mother. So travelling is not possible for me actually. Thank you so much for your precious time and sorry.

Hope you will find the perfect person!

Best regards.

Bertille
