Jeffrey,

I would like to get the 30K deposit back from the Suzuki dealer in St. Thomas. I'm not comfortable leaving the money with him if you think its going to be much longer on what engines to install on Nana.

Last month I received a call from Carlos saying that Gary had purchased the Suzuki engines even after Emad told him to hold our deposit until we have decided on what engines we would like installed.

Gary was able to sell the engines to someone else, so our deposit was still in his account and safe.

I'm not feeling good about this guy, and would prefer to request our money returned to us.

is this approved?

thank you,

Larry
