Please explain how your calculations,including the guarantee, show I've been"overpaid". Even if your numbers were correct, which they are not, I am still owed well over \$100,000, as I will show Jeff. I know you think that the guarantee is not binding unless it is "in writing" but that really is not your call.

Alan

Total amount paid was 3,935,613.40. This includes 600,462 that you paid to your brother and others.

The total hours that you billed (without the backup that has been requested on numerous occasions but as of today still has not been received) was 2,607.25.

December 2006 details and the details of out of town hours have never been received though I had asked for it on numerous occasions. To date the only backup that I have received for millions of dollars in payments was 3 photocopied pages with no legible explanation. I have requested in December 08 documentation to support the transfer of 178,000 that was paid but never invoiced.

This is my tally of your non documented billings through December of 2008. You have sent a note in April that said that 26,450 was owed as of April of 09 for work done in 09. Mr. Epstein tells me you have additional hours after that., but I have never received an invoice or bill.

I've tried the calculations numerous ways and you have been overpaid.

Thanks

Harry

Please send me your numbers in preparation for my call with jeffrey. please include total fee paid to me, which you said was 30k plus more than my figure. Also total hours you say I billed (which you said was 60+ less than my figure. I told jeffrey the difference between our figures was "relatively small". You apparently said the opposite. Let's see the precise numbers so jeffrey can decide. Thanks
