Jeff,

Between us – the girl was a nervous wreck and just couldn't handle it. She could only handle one phone call at a time, could not be left alone or handle multi tasking.

Does she have any secretarial or administrative skills? I can have my assistant interview her and see her capability to get her employment. She seems challenged.

Anthony told me it is for number of reasons- Anthony had multiple conversations with her but felt she was not improving and not going to grow into the position:

1. confidence issues at the host stand
2. table checks haven't been very accurate and it tends to frustrate the decker. (Anthony had conversations w/ her and coached her)
3. She is very nervous and cannot be left alone
3. Struggling
