It worked for pricing because I have place holders. Prices ranged from 140-200k

Russell Hernandez

rich,

send me a note that says. , it is the same range that the contractor gave us after looking at it for 10 minutes, frankly , I have yet to see any value added to Russell involvement. we have generator guys coming at a super high rate. drawings done by wana be architect and no value added to date. maybe we should just rehire when we are building. so far , this makes little sense
