jes will come a week from tomorrow. he has changed all his plans around. I am committed to our friendship. you must be careful, there are many calling for your head. The local banks hesitancy over extending your personal investment needs stem from a fear of being seen to help you ,rather than a concern with the projects. You should consider changing ownership. Sell it to a trusted friend , for a complex note. Let the friend complete. I will always transmit the info i receive, raw, it is not filtered as might be custom I apologize but my lack of subtlety is balanced by my loyalty
