I guess I've just never been given that flexibility!

Having fun is such a cool luxury!

I have some fun ideas. Im just gettting home and sleepy but I will send the ideas in the morning. I hope you are asleep by now!

Did you see Jarons new book? Its actually very good.

Theres another killer book that I love called Flatland about how life might be in only two dimensions. It is really a brain bender. Its a math novel. First one I've ever seen.

Want me to send you some fun books?
