Thanks!!! I received both of your emails and feel better that he will carrying his schedule and same will be provided to you. It is my understanding that we may still consider going directly to the Court in the form of a motion and allege a violation. I'll keep you posted on that.

Barbara,

Per our conversation, I have attached a copy of the memo I placed into my file, and I did create an electronic copy of the CAD report for you.

I just received a call from Probation Officer Sloan. She advised me that Probation would NOT provide me with a copy of his weekly schedule as that was too much work for their agency and he is allowed to make changes with a simple phone call to them. She advised that decision was made by her administrator and that if I would like I can call that individual. I will be doing that shortly.

Keep in touch

George
