Yes, because I am not in London. I am in the us and I don't know what's going on. [REDACTED] told me you were going to pay for her apt in London. She really needs to leave the house of my grandmother. My family is so mad. I told everyone she already left. She told me she was going to leave the house this week as soon as you will transfer the money. If the cleaner is going to say something again I am done with my family forever. Not nice. I can't believe she is still there. I am so mad, she was supposed to leave end of January. Please let's solve this. Otherwise [REDACTED] will need to leave London and her job and also I really don't know where she is going to go... unfortunately I cannot help her anymore.
